

Philosophy

- Our program encourages growth of the whole child: physically, intellectually, emotionally, socially, and creatively in a Christian environment.
- Through the school's daily routine, each child will have the opportunity to create, discover, interact, and learn concepts through hands-on experiences that are developmentally appropriate.
- Using thematic units, children will have activities that are self-directed, as well as teacher-directed.
- The program encourages children to problem solve and interact with their peers.
- The teachers are supportive and nurturing of each child and work with parents to provide for the child's growth and development.

Registration

- Begins **February 1, 2022**, at 10:00 a.m.
- Registration continues throughout spring and summer but is subject to space availability.
- Non-refundable registration fee of \$95.
- Early registration is available for current and previous Preschool families.

Licensing and Accreditation

St. Mark Preschool is licensed by the State of Illinois Department of Children and Family Services (DCFS). Our curriculum follows the Illinois Early Learning Standards.

St. Mark admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, and other school-administered programs.

Early Childhood Programs

Our Story

St. Mark Preschool & Enrichment Center has been fostering the confidence and self-esteem of children in our community for over 60 years. We believe a child's first school experience should be welcoming, safe, and encouraging, where a child can develop and learn at his or her own pace.

Your child will learn hands on by making and by doing, while developing social skills and relationships that can last well beyond the preschool years. Come join the St Mark Preschool experience where families feel supported, and children develop a life-long love of learning!

Learning through play is an important part of the curriculum

Programs at a Glance

St. Mark's Early Childhood Programs are child-centered with an emphasis on learning through all the senses, fueling your child's curiosity, self-discovery, and growth. Experienced teachers use the latest educational techniques and inquiry-based learning to stimulate and support your child's overall development.

Flexibility is a key component of our family friendly program design. We are open five days a week from 7:30 a.m. to 5:30 p.m. and offer:

- **3's & 4's Preschool Classes**
- **Full/Half Day Childcare**
- **Kindergarten Enrichment**
